Food and Drug Administration

[Docket No. FDA-2016-N-0610]

Mass Spectrometry in the Clinic: Regulatory Considerations Surrounding Validation of Liquid Chromatography-Mass Spectrometry Based Devices; Public Workshop; Reopening of Comment Period

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice of public workshop; reopening of comment period.

SUMMARY: The Food and Drug Administration (FDA) is reopening the comment period for the notice of a public workshop that appeared in the <u>Federal Register</u> of March 9, 2016. In the notice of the public workshop, FDA requested comments on the workshop topics concerning the use of liquid chromatography/mass-spectrometry (LC/MS)-based in vitro diagnostic devices (IVDs) in the clinical laboratory. The Agency is taking this action in response to requests to allow interested persons additional time to submit comments.

DATES: FDA is reopening the comment period for the notice of public workshop published March 9, 2016. Submit either electronic or written comments by June 2, 2016.

ADDRESSES: You may submit comments as follows:

## **Electronic Submissions**

Submit electronic comments in the following way:

 Federal eRulemaking Portal: http://www.regulations.gov. Follow the instructions for submitting comments. Comments submitted electronically, including attachments, to http://www.regulations.gov will be posted to the docket unchanged. Because your comment will be made public, you are solely responsible for ensuring that your comment does not include any confidential information that you or a third party may not wish to be posted, such as medical information, your or anyone else's Social Security number, or confidential business information, such as a manufacturing process. Please note that if you include your name, contact information, or other information that identifies you in the body of your comments, that information will be posted on http://www.regulations.gov.

• If you want to submit a comment with confidential information that you do not wish to be made available to the public, submit the comment as a written/paper submission and in the manner detailed (see "Written/Paper Submissions" and "Instructions").

## Written/Paper Submissions

Submit written/paper submissions as follows:

- Mail/Hand delivery/Courier (for written/paper submissions): Division of Dockets
  Management (HFA-305), Food and Drug Administration, 5630 Fishers Lane, rm.
  1061, Rockville, MD 20852.
- For written/paper comments submitted to the Division of Dockets Management, FDA
  will post your comment, as well as any attachments, except for information
  submitted, marked and identified, as confidential, if submitted as detailed in
  "Instructions."

Instructions: All submissions received must include the Docket No. FDA-2016-N-0610 for "Mass Spectrometry in the Clinic: Regulatory Considerations Surrounding Validation of Liquid Chromatography-Mass Spectrometry Based Devices." Received comments will be placed in the docket and, except for those submitted as "Confidential Submissions," publicly

viewable at http://www.regulations.gov or at the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.

Confidential Submissions--To submit a comment with confidential information that you do not wish to be made publicly available, submit your comments only as a written/paper submission. You should submit two copies total. One copy will include the information you claim to be confidential with a heading or cover note that states "THIS DOCUMENT CONTAINS CONFIDENTIAL INFORMATION." The Agency will review this copy, including the claimed confidential information, in its consideration of comments. The second copy, which will have the claimed confidential information redacted/blacked out, will be available for public viewing and posted on http://www.regulations.gov. Submit both copies to the Division of Dockets Management. If you do not wish your name and contact information to be made publicly available, you can provide this information on the cover sheet and not in the body of your comments and you must identify this information as "confidential." Any information marked as "confidential" will not be disclosed except in accordance with 21 CFR 10.20 and other applicable disclosure law. For more information about FDA's posting of comments to public dockets, see 80 FR 56469, September 18, 2015, or access the information at:

SUPPLEMENTARY INFORMATION: In the Federal Register of March 9, 2016, (81 FR

12511), FDA published a notice of a public workshop with a deadline of April 20, 2016, to

request comments on the workshop topics concerning the use of LC/MS-based IVDs in the

clinical laboratory. Comments on the public workshop topics will inform FDA's development

and validation of LC/MS-based devices, especially validation considerations for protein- and

peptide-based LC/MS devices.

FDA is reopening the comment period for the notice of the public workshop until June 2,

2016. The Agency believes that the extension allows adequate time for interested persons to

submit comments without significantly delaying decision making on these important issues.

Dated: April 26, 2016.
